### Deuteronomy 34: 9

***Now Joshua son of Nun was filled with the spirit of wisdom because Moses had laid his hands on him.***

“Have you recruited anyone to take your place in Mongolia,” our Covenant supervisors asked us? Liz & I first visited Mongolia in 2000, but we didn’t move here until 2008. Based on our experience, if someone is going to replace us in 2017 when we plan to return to the USA, they should come to visit next year. Will YOU come to Mongolia (for the first time)?

Oyuna and her son Erika

It’s not just about having a job! Oyuna has worked with Liz for more than a year. Now she has a stable job in a healthy, Christian place. But her husband is an alcoholic, spending her wages or selling the family’s groceries for alcohol. Erika, Oyuna’s son, comes to the Women’s shelter after school because it is not safe for him at home alone with his step-father. Oyuna is recovering from tuberculosis.

Mills from USA:  
Big families can be  
missionaries too!

## **Why should I become a missionary?**

1. Because Jesus said so, ".... *go and make disciples of all nations...*"  
Matthew 28:19
2. Because people need to hear; "How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? Romans 10: 14-15.
3. Because Now we can. Twenty years ago, much of the world was closed to Christians. Now many people speak English. Now you can get anywhere quickly (& you can Skype home!)
4. Because with our prosperity and Christian education, we are better equipped to GO than anyone before. Do you expect MonGOlians to come to you?

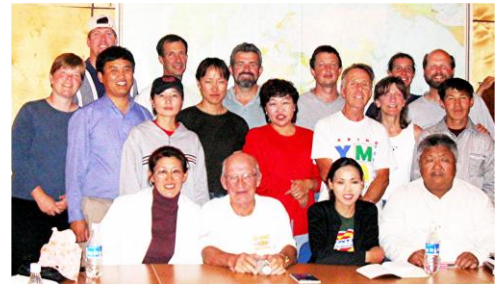

## **Q: What is the most common experience of Long-term missionaries?**

A: They went on a short-term mission trip.

Q: What are some **examples of skills/experience missionaries need** now to work in Mongolia?

- A: + Small business experience.  
+ Language skills (most long-term missionaries in Mongolia study Mongolian 2 years).  
+ Teaching (computer, English, nursing, business)

## **Prayer requests:**

- Jim & Liz will be traveling to the Micah Network Asian Regional conference in October representing JCS. Please pray for building links with regional ministries in Human Trafficking (Liz) and Ministry in rapidly developing countries (Jim).
- Please pray for Oyuna and her family as they struggle with alcohol, health and child care.
- Replacements (maybe you?) for Jim and Liz.

**Blessed by Him & you.** *Jim & Liz Sedore*
